KASASA LOANS

TAKE BACK BANKING

The Kasasa Loan is the first-ever loan with Take-Backs™ — that means you can pay extra on your loan to get out of debt faster without worrying about tomorrow's "what-ifs" because you can get those extra payments back any time you want them.

Take-Backs are free, they don't affect your rate, and they give you the peace of mind of a rainy-day fund whenever you need it.

Plus, the free Kasasa Loan dashboard has a simple and easy to use interface so you can see where you are on your loan, and even lets you explore your options to see the impact of changes BEFORE you make them!

USA Patriot Act

On September 11, 2001, our lives changed forever when our country was attacked. In an effort to protect you and our country from terrorism, President Bush signed the USA Patriot Act into law on October 26, 2001.

Preventing terrorist financing is one way we can help prevent terrorism. We want you to know that section 326 of this Act requires our Credit Union to verify the identity of all new credit union members. We must also verify the identity of members and nonmembers added as signatories to, and who have access to, new or existing deposit accounts and loans. If you are an existing member who joined the Credit Union before the U.S.A. Patriot Act became effective, we may also need to verify and retain copies of any documents used to verify identity when you request a new deposit account, apply for a loan, or are added as a signatory to a new or existing deposit or loan account.

We ask for your understanding as we work to support these efforts to maintain the security of your funds and our country. Please speak with a Credit Union staff member if you have any questions or concerns about our identity verification process.

This Credit Union is federally insured by the National Credit Union Administration.
