### HELPFUL TIPS

Protect yourself from being a victim of fraud.

We highly recommend everyone avoid paying at the gas pump with their debit card or credit card.

There are confirmed reports of skimmers in the Rio Grande Valley. It is believed that these skimmers have been placed at several gas pumps in our area.

We do not know if there are multiple skimmers, or if the device(s) are moved frequently. Skimmer devices and cameras may not be visible.

We recommend that you not use debit or credit cards to pay at the pump. Please pay inside, use cash, "or with certain merchants" - use gift cards.

As always, please monitor your banking account diligently and should you have any questions please contact us at (956) 423-5792.

### Like to prepay your loans?

Keep in mind that loans should not be paid more than 90 days in advance.

If you prepay any part of what you owe, you are still required to make the regularly scheduled payments, unless we have agreed to a change in the payment schedule.
