K A S A S A Loans™

The only loan with take-back™.

You know it's smart to pay off your loan faster. But what if you need that extra cash later for something unexpected? Kasasa Loans let you pay ahead with confidence on your loan (and save on interest), knowing you can access those extra funds, at any time. Plus, it's all backed by a mobile-friendly dashboard that lets you know exactly where you stand.

How it works:

1. You can choose to pay the minimum monthly payment and stay right on track.
2. Or, if you have extra funds, you can put them toward your balance to pay it off sooner and save on interest.
3. If something comes up, you can easily withdraw any extra you've paid with the click of a button.
4. The funds are transferred into your chosen account, and your payoff schedule adjusts automatically.
