ATM / Debit Card Safety

Never write your pin number on your card. Be aware of your surroundings, particularly at night. Refrain from displaying your cash at the ATM or night deposit facility. Count your cash after rolling up your window and locking your doors. If you notice anything suspicious at the ATM, consider using another machine.

If you are followed after completing a transaction, go to the nearest public area where people are located. Report all crimes to law enforcement officials immediately.

Vestibule ATM at our Main Office now accepts ATM deposits!

Member will receive immediate credit on cash deposits.
Check deposits will be available after 2 business days.

Vestibule ATM is available during lobby hours only.

Notice of Records Availability

Upon written request, a member may review or receive a copy of the most recent version of the following credit union documents:

Annual Report to Membership

The non-confidential pages of the latest call report (NCUA Form 5300);
a summary of the most recent annual audit Board policy regarding access to the articles of incorporation, bylaws, rules, guidelines, board policies and thereof; and Internal Revenue Service Form 990

RGVCU Visa Debit Cards will only be accepted at EMV (chip) compliant ATMs.

The most noticeable difference when it comes to chip cards versus magnetic stripe cards is how they are being used, during a transaction. With magstrip cards, you swipe. With EMV chip cards, you dip/insert the card into ATM.

With great interest rates on mortgage loans - now is the time to buy or refinance your existing mortgage loan.

Come see our loan department for more details!

We partner with Servion, Inc., NMLS #1037
